ARCHBISHOP OF DETROIT

August 29, 2025

Dear Brothers in Christ,

We Catholic men are called to a life of generous and meaningful service. One exceptional way that this calling is answered is by membership in the Knights of Columbus.

The Knights of Columbus were founded in 1882 by Fr. Michael McGivney, a young priest who saw a serious need among his parishioners. His solution to the problems facing American Catholics at that time has resulted in a Catholic fraternal organization of over two million members today who put their faith into action through charitable works, defending the faith, and caring for their families. The Knights of Columbus are now active in 16 countries and donated more than \$185 million dollars and 50 million man-hours to charity in the last year alone!

As a Knight of Columbus myself, I have personally witnessed the tremendous work accomplished by these faithful men across our Nation and here in our Archdiocese. However, the work is never done and the organization needs to grow for the Knights to continue their good works for the Church. I strongly encourage every man in our Archdiocese who is a practicing Catholic and at least eighteen years of age to prayerfully consider joining the ranks of this exemplary Catholic men's organization.

Members of the Knights of Columbus will be available in parishes throughout our Archdiocese after Masses on a weekend in September with more information for you. Please take some time to visit with these men so that you can learn more about their mission to promote the principles of charity, unity, fraternity, and patriotism. Membership will enhance your faith, your life, and your community in ways you cannot imagine.

Very sincerely yours in Christ Jesus,

+ *Edward J. Weisenburger*

Grand Knight Message to Council for September, 2025

The crisp airs of September have arrived, and the chill in the morning air reminds us that a new cooler season is approaching. Yet we are just warming up for that new season!

We finished August with several successful activities including a Recruitment Drive during the “Meet the Teachers” night at our St. Pius School, our Knights of Columbus District Picnic, and managing the Dime Toss and Cheap Eats booths at the St. Pius X Festival. These events were proceeded with a well-attended Annual Work Session by your officers and directors.

At the work session, we discussed not just meeting our goals for recruitment and charitable fund-raising projects, but to exceed them. Since the new council year started on July 1st, we are averaging two new members a month; a pace we would like to continue throughout the year. We can reach that goal if you can recruit one or more brother knights this year. It’s actually quite easy. All you need to do is share with them your experiences as a Knight of Columbus and ASK THEM to join. As an added incentive both their and your dues for their first year will be free.

The Archbishop Edward Weisenburger sent a letter to the archdiocese encouraging men to join the Knights of Columbus. To follow his lead, we are having a **recruitment drive this weekend, Saturday, September 20 and Sunday, September 21.**

Deacon Chuck will be speaking at all three masses to encourage men to join. We will be setting up a table to distribute recruitment material, with a goal of signing up three e-members new per mass. It happens that the 21st is Donut Sunday, so our recruitment drive will be during the social.

Besides discussion on our traditional upcoming projects, new programs are being planned:

- **Vaccination/Immunization Clinic** – Tentatively scheduled for **Sunday, September 28, 2025**, after Masses. Vince Barazsu and his wife Kaitlin offered to put this clinic together to provide parishioners with Flu and Covid Shots after these masses. The Knights of Columbus will provide Cookies and Beverages.
- **Quarterly Spaghetti Dinners.** The first planned date is – **Thursday, November 6, 2025**, 3:30–7:00 p.m., St. Pius Social Hall. We plan to have a Spaghetti Dinner as a Fund raiser every three months with each dinner to benefit a pre-determined purpose. AED (Automated External Defibrillator) for School/Church, Assistance to St. Pius Parents for fees and expenses requested for students, and Contribution to preserve Gabriel Richard academic programs are among the recipients to the proceeds of the first few dinners.
- **Blessed Virgin Statue** Restoration and possible enhancement and relocation. For years the statue of our Blessed Virgin has needed repair. This will also be an opportunity to look into providing a better experience to honor and pray to our Blessed Mother. Discussion will include ways to collect resources to afford these improvements, such as setting up a program to offer family memorials that would be incorporated into the memorial with pavers and plaques. Existing pavers would be relocated or replaced by utilizing the resources of our Knights of Columbus council.

Right to Life Dinner is September 18th at the Grecian Center. Our O'Brien council and the Antwerp Four Degree Assembly purchased two tables of ten. Tickets may still be available for \$40.00 per ticket and includes great food and popular speakers.

A Life Chain and Walk of Remembrance for families experiencing loss during pregnancy, will be Sunday, October 5th at Heritage Park in Taylor. The walk begins with registration from 11:30 a.m. to 1:00 p.m.

Our Fifth Annual Memorial Golf Tournament is coming up on Saturday, September 20th at the Woodside Meadows Golf Club. Lunch is included or can be purchased for those not golfing. At last count, there were over 72 golfers signed up, with new and returning sponsors. Doug Furtah and Joe Chlebek have done an outstanding job, there is still time to sign up either to golf or volunteer.

MI (Tootsie Roll) Drive to support the intellectually handicapped begins on Friday, October 10th through Sunday, October 12th. We will again be soliciting donations both at the intersection of Dix-Toledo and Eureka, and the Lowes at Trenton Road and Pennsylvania Roads. Students will be invited who are seeking service hours at Lowes with members of our council. Both brother knights and students can volunteer online at [Signup to Volunteer! – Bernard P. O'Brien Council 3956](#).

The Annual Coats for Kids Drive begins in October. Last year, with the help of our St. Pius X parishioners and St. Pius X students, over \$7,600.00 was raised to purchase Coats and related Accessories for our under privileged neighbors. This year we expect to offer two opportunities to offer these necessities to those in need. A local center and a return to a Detroit area center. Continue to visit our website at [Bernard P. O'Brien Council 3956 – St. Pius X Parish – Southgate, Michigan](#).

I was invited to the Monroe K of C Council COR Breakfast last week. I asked Brian Batko, our Planning and COR Director to join me. The program they run is a different brand of spiritual engagement. Whereas our COR is a reflection on the next weekend readings and Gospel, this group focuses more on personal growth as a Catholic man. We may consider including some parts of their program into our when we meet out COR group meets on Saturday, October 18th at 7:30 a.m. in the Social Hall. Please come be a part of the group.

I look forward to seeing each of you at our many upcoming activities. Remember to attend the Right to Life Dinner on September 18th, participate in our 5th Annual Golf Outing on September 20th and the proposed Immunization/Vaccination Clinic on September 28th. Our next business meeting is Wednesday, October 1st in the Social Hall. A shorter meeting will begin at 6:00 p.m. followed by our Dinner/Social.

Congratulations to the Knight of the Month Dick Gregoire

Having Dick back and healthy is a blessing for the council and the parish. We missed him while he was on the mend, and we didn't know how much we missed his spaghetti sauce until last meeting! Well done Brother Dick!

Congratulations to the Pochini Family

The Pochini family always shows up for St. Pius. This month they manned the popcorn booth. They're fixtures in our parish, from Steve serving as a lecture, his sisters as altar servers or teaching at the school, or the email updates we get from Kathy. Our council appreciates all you do for St. Pius.

Schooling

For the children and young adults of our parish community, the approaching fall is an indication it's again time to crack the books again. Spending time learning about life and the world we live in is an ongoing endeavor. At St. Pius as well as other Catholic schools, an emphasis on religious education and learning the faith is also part of the curriculum. But what about us?

It's not to say, we adults past the age of those required academic years, who are engaged in scrapping out a living, shouldn't always strive to catechize so better to evangelize, but do we? Is continuous religious education part of our week?

Ask yourself, when was the last time I cracked a book whose topic was religious or had religion as a motif? How about Scripture, not what you heard at Mass but what you read on your own? Does your Bible have dust on it? An adult, have I grown lax in my relationship with the Lord; lazy about learning more about him?

Having the desire to better appreciate or grow more in love with a person usually requires some effort from the other desiring such an outcome. Don't let the complacency of thinking you know enough be the stumbling block to that deeper love or heart-felt appreciation for what he did for us. Make it a point to crack a book and do your homework once in a while. Like we tell our kids, it will make you a better person.

Vivat Jesus,

Deacon Chuck

MICHIGAN MARCH FOR LIFE | November 6, 2025

Join us for the Michigan March for Life on November 6, 2025! The Michigan March for Life is an excellent opportunity for advocates for life of all ages and political persuasions from across the state to join with one voice on behalf of the defenseless! We saw a strong showing of support on the first anniversary of the devastating passage of pro-abortion Proposal 3 with our first March in 2023, and we expect an even greater turnout this year as we continue to promote "Life. The Other Choice." to women in Michigan. Join us as we peacefully advocate for the protection of all human life from conception to natural death and stand for commonsense laws that support women, safeguard families and defend the unborn in our state.
